

Urban Design London

Design Review Panel

In celebration of our
15th anniversary we are
seeking new members to refresh
our long-standing Design Review Panel

We provide design reviews for our subscribing members including Transport for London (TfL) and the London Boroughs.

Although the majority of our design reviews look at street and public realm schemes, we also review transport and infrastructure projects as well as planning and development proposals.

We hope to appoint a diverse group of experts with a wide range of expertise to our panel through this recruitment process to reflect the variety of schemes we review. We pay panel members an honorarium for their contribution.

If you would like to apply, please send a one page CV and a cover letter clearly stating your skills, expertise and experience in shaping great places, and what you believe makes a good design review to info@urbandesignlondon.com

Applications to be
received by 1st September
